

**International Conference on Computer Vision and Graphics ICCVG 2010**  
**- scientific and training conference -**  
**September 20-22, 2010, Warsaw, Poland**

**Call for Papers**

<http://iccvg2010.pjwstk.edu.pl> <http://www.tpo.org.pl/iccvg2010>

Dear Colleagues,

It is our pleasure to invite you to the International Conference on Computer Vision and Graphics ICCVG 2010 to be held in Warsaw on September 20-22, 2010. The aim of this challenging scientific and training event is to be an international forum for scientific and technical training, presentations and discussions on the latest advances in Computer Vision and Graphics. Prospective authors are invited to submit original contributions on the topics including, but not limited to:

- Modelling of human visual perception
- Computational geometry
- Geometrical models of objects and scenes
- Illumination and reflection models and methods
- Image formation
- Image and video coding
- Image filtering and enhancement
- Biomedical image processing
- Biomedical graphics
- Colour image processing
- Multispectral image processing
- Pattern recognition in image processing
- Scene understanding
- Motion analysis, visual navigation and active vision
- Human motion detection and analysis
- Visualisation and graphical data presentation
- Hardware and architectures for image processing
- Computer-aided graphic design
- 3D imaging, shading and rendering
- Computer animation
- Graphics for internet and mobile systems
- Virtual reality
- Image and video databases
- Digital watermarking
- Multimedia applications
- Computer art
- Image processing applications in industry, engineering, life sciences, geophysics etc.

The conference is organized by the Association for Image Processing, Poland ([TPO](#)) the Polish member association of the [IAPR](#) and the supporting organizers: Polish-Japanese Institute of Information Technology ([PJWSTK](#)) and Faculty of Applied Informatics and Mathematics (WZIM), Warsaw University of Life Sciences (SGGW) ([WZIM SGGW](#)).

### **Publications**

Accepted papers will be published in a dedicated volume of *Lecture Notes in Computer Science* ([LNCS](#)), Springer. The volume will be provided to all conference participants at the meeting.

Extended versions of selected papers of the best quality will be recommended for publication in a special volume of *Machine Graphics & Vision* ([MG&V](#)), after the Conference. These papers will be subjected to a separate review and editorial process by the Journal Editors.

### **Deadlines**

The paper submission deadline is 16 March, 2010. See the [conference page](#) for more information.

### **Conference fee**

The registration fee is 420 €. Reduced rates apply for IAPR members, Scientific Committee members, students and early-bird participants. See the [conference page](#) for more information.

### **Contact**
